Verse 1

I've been driving the wrong direction
For so many years.
So take a hold of my gear shift, baby,
And don't strip the gears.
I'll be here in the back seat, baby,
Diggin' the view.
Take us off on the back street, baby
You've got me believin' and
I'm leavin' it all up to you.
I'm leavin' it all up to you.

Verse 2

I was stuck on a side street, baby
Until the day
You hopped right into my front seat and you
Drove my heart away.
Now we're on the expressway, baby,
Breezin' on through.
I've just got to confess, hey, baby,
You've got me believin' and
I'm leavin' it all up to you.
I'm leavin' it all up to you.

Instrumental Bridge

I'll be here in the back seat, baby,
Diggin' the view.
Take us off on the back street, baby.
You've got me believin' and
I'm leavin' it all up to you.
I'm leavin' it all up to you.
(You've got me believin' and
I'm leavin' it all up to you.)
I'm leavin' it all up to you.
(You've got me believin' and
I'm leavin' it all up to you.)
I'm leavin' it all up to you.
(You've got me believin' and
I'm leavin' it all up to you.)
