#### Verse 1

I wipe the morning from my eyes,  
And as I take a look outside  
I stare inside my coffee cup,  
Contemplating giving up.  
Large shrouds of dark clouds  
Chase blue skies away.  
I'm just waiting for a sunny day.  
A sunny day.

#### Verse 2

I draw the curtains in my room  
And hope that maybe someday soon  
I'll venture just outside my door  
And find the world I lost before  
These large shrouds of dark clouds  
Chased blue skies away.  
I'm just dreaming of a sunny day.

#### Instrumental Bridge

#### Chorus

Day.  
A sunny day.

#### Verse 3

I do the only thing I can  
To heal the bruised and broken man.  
I gather what is left of me  
And throw it at what ought to be  
When large shrouds of dark clouds  
Chase blue skies away.  
I'll just make my own sunny day.  
A sunny day.  
Waiting for a sunny day.  
(Sunny day)  
A sunny day.  
(Sunny day)
