You know I'm sorry if you misunderstood
But your confusion is a bit overdone
I was only in to do good
I was only in to have some fun
I went way out of my way to get this bad
And you still don't get how far
But now I'm Back! I'm New!
And it's a wonderful thing

But you still don't get how things are...
Not superstition, I'm talking hideous kinky
No not religion, I'm talking serious OOBIE
Not science fiction, I'm talking horrible freaky
Yeah all that stuff you don't believe in
Well that stuff is for real

Got myself a change of life
Got myself a change of style
Got myself a new direction
Got myself a reason why...

I just fell right out of my face one day
And took it as a sign from God
And now I'm feeling good
And I'm moving up
And I've got to do it now

Yeah, I'm sorry if you misunderstood
But your condition is a touch overplayed

I was only in to do good
I was only in to get it made
I went way out of my way to get this bad
And you still don't get how far

But now I'm Back! I'm New!
And it's a wonderful thing

But you still don't get how things are...
Not superstition, I'm talking hideous kinky
No not religion, I'm talking serious OOBIE
Not science fiction, I'm talking horrible freaky

Yeah all that stuff you don't imagine
Well it's happening to me

Got myself a change of life
Got myself a change of style
Got myself a new direction
Got myself a reason why...

I just fell right out of my face one day
And took it as a sign from God
