I had a dream
I was walking on the beach
Sand ringing crystal clear
Only GOD and I could hear
I had a dream
I was riding on an angels wing
Through miles of clouds
Tasted like I'm whipped cream bound
I can't believe it's over
I can't believe it's over
I had a dream
Filled with words and harmony
There was a part of me
Just clinging to my destiny
I can't believe it's over
I can't believe it's over
Come to me tonight
Dreams can't hold me tight
Come to me tonight
Dreams can't hold me
I had a dream
Felt a bit extreme
I was hangin' on
Knuckles white
Letting go and taking flight
I can't believe it's over
I can't believe it's over
I can't believe it's over
