Letting Go

Well I know that youâ€™ve been turning away from me
now

For such a long time

Itâ€™s easy for me to say thatâ€™s the way it goes

All will be fine

But your love is like that ship out on the ocean

blowingâ€™ wild

And youâ€™re feeling like that overlooked, left out
little child

Itâ€™s just that letting go

Is so hard to do now

I know, for once in my life now

You told me so

Wherever you may be now

Hey it aint my business, this aint my address

Oh but I must confess to this emptiness

I know you know

Itâ€™s so hard letting go

Well I know that youâ€™ve been saying that

You canâ€™t take it anymore

Youâ€™ve been crying for too long

Itâ€™s easy for me to say dry your eyes itâ€™ll be
alright

It feels all wrong

Your love is like that ship out on the ocean blowingâ€™
wild

And youâ€™re feeling like that overlooked, left out
little child

Itâ€™s just that letting go

Is so hard to do now

I know, more than once in my life now

You told me so

Wherever you may be now

Hey it aint my business, this aint my address

Oh but I must confess to this loneliness

I know you know

Itâ€™s so hard letting go

For once in my life I've got no more answers baby
Nothing seems to go right anymore
When I'm talking to you, you say how are you
doing
You look at me like a stranger, all I see is danger

And I'm letting go
It was never meant to be like this
I'm so low, I still wanna feel your kiss
But I just don't know
Wherever you may be now
Hey it aint my business, this aint my address
Oh but I must confess to this emptiness
I know you know
It's so hard letting go.
