(Verse 1)

Baby what if I I I could read your mind
(yeah yeah)
Would you run and hide hide oh don't you hide
(yeah yeah yeah)
Every day day day I be thinking bout loving you
So tell me what you like like promise I'll get it right

(Pre)

You really set me off when you touch me there
Excite me with your thoughts I want you bad
It's obvious enough when you read my lips
It's already said

(Hook)

I want you (x12)
I want you bad don't you play
Play with me
I want you bad don't you play play play
I want you bad don't you play play with me come on
'Cause I want you (x3)

(Verse 2)

Baby what if I I I knew what you want
How can you deny-ny what you know you want
When you go go go I be thinking bout loving you
I know what you like like promise I'll get it right
