I'm going to tell you a little something about this show

that i watch every single day of my life

Yeah

No matter what

This show is Spongebob

Yeah Spongebob is the best

Yeah he cooks patties and sells them to the west

Yeah

Yeah

Maybe I should know a lot more about Spongebob

Yeah maybe I should read the books on my i-touch

Yeah but I don't know what to do with my life

Spongebob

He is just the yellow sponge under the sea

Yeah why don't you guys show him who he is

Yeah cause you need to have respect for him

This guy is a yellow sponge

He cooks patties and sells them to the west

Yeah

Yeah

Well then you know his best friend named Patrick Star

He is a star under the rock

Yeah

And then Spongebob and him get in an argument  
during the fry-cook games

And in the snail-race Squidward didn't win

Because Gary almost failed him

Yeah

Him

Spongebob

Is the best

He cooks patties and sells them to the west

Spongebob

Is the best

Let me tell you something about the west

Yeah this restaurant that people keep arguing about

Yeah

Every single day Plankton has a fight between mr.  
Krabs and him

Yeah

Yeah

Spongebob

Is the best

He cooks patties and sells them to the west

Yeah everybody needs to know who the pro is

And that's Spongebob I respect him

Everybody needs to put their thumbs up right down in  
the comment below

And say Spongebob is awesome

Yeah

Yeah

Spongebob

Spongebob

Spongebob

Spongebob

Spongebob

Spongebob

Is the best

Of the west
