Black Hole in the Sky  
(Lyrics by Donny DePaola)

There's a man at your door  
He asks you if you want more  
More of what you do not know  
So you tell him to go

There's a beggar on your street  
He says "Would you like something to eat?"  
But you don't know what to say  
So you get up and walk away

Why do they know that you are alone?  
Everyone you see knows what you did to me

There's a black hole in the sky  
Do you ever wonder why no one else can see but you?  
You know what you have to do

Try to love yourself  
You won't love anyone else  
Because I know you can't  
It's the only way to live another day  
Will you follow through?  
My last advice to you

No matter how hard you try  
There's a hole in your sky.
