Stubborn Creatures  
(Lyrics by Mike Nicholas)

Look at all of our faces  
Slobbering, greedy beings  
Hoping we all will be saved  
From the world and its new beginnings

Want to be entertained?  
Nothing learned and nothing gained

Oh we truly are stubborn creaturesâ€¦!

Using our imaginations  
We know it allâ€¦seems so fitting  
Ignoring all the instructions  
We know it allâ€¦who are we kidding?

Want to be entertained?  
Nothing learned and nothing gained

Oh we truly are stubborn creaturesâ€¦!  
Oh we truly are stubborn creaturesâ€¦!

God cant open up to everyone if all that we do  
Is dissolve in our problems that we got ourselves into  
Canâ€™t open up the heart if the mind is of neglect  
The walls intertwine and the paths intersect

Oh we truly are stubborn creaturesâ€¦!  
Oh we truly are stubborn creaturesâ€¦!  
Oh we truly are stubborn creaturesâ€¦!  
Oh we truly areâ€¦!
