The world is a devil in the evil that it hides  
And the god of this world is the devil in disguise

Eating and sleeping and dreaming and scheming  
Repeating&#124;repeating&#124;repeating&#124;repeating  
The meaning is breathing behind what were seeing  
And many are leaving their faith and belief far behind  
It&#124;s a new way of thinking  
that leaves a tear in our Creator&#124;s eye

You see He knows the choices we&#124;ve made  
And the paths were going to take  
Our times are in Your Hand  
Please help us to understand

Picking and choosing our lives we are losing  
To everything lifeless that we enjoy doing  
The faithless are growing  
Society&#124;s molding  
Humanity pushes and shoves the Hand trying to clean  
It&#124;s a new way of thinking  
that leads us to believe we don&#124;t have a need

You see He knows the choices we&#124;ve made  
And the paths were going to take  
Our times are in Your Hand  
Please help us to understand

We like to do what we want  
Every single day is ours to take  
Devil lets us do what we want  
It&#124;s too hard to follow Your ways  
(Ahh Ahh Ahh Ahh) (Ahh Ahh Ahh Ahh)  
(Ahh Ahh Ahh Ahh) (Ahh Ahh Ahh Ahh)

(Just let me be)  
(Just let me be)  
Please let me see&#124;

You see He knows the choices we&#124;ve made  
And the paths were going to take  
Our times are in Your Hand

Please help us to understand (repeats)
