

Paddy Goes To Holyhead "A Day On The Run"

Visit "[A Day On The Run](#)" on MotoLyrics.com

A day on the run is a night without fun
Is a date without time for to run
I'm on the run waiting for fun
And I wait for a date on the run
A night without fun is a day on the run
Is a date without time for to run
I'm having fun been on the run
And I wait for a date on the run
Waiting for someone to pick me up from the run
Something's wrong about this stupid song
This is the reason for all my faults
This is the reason for crying
This is the reason for a hit in the balls
And I'm sure I will die today
Yes I'm sure I will die today
Yesterday I phoned myself to wave a last goodbye
Yesterday I told myself a lie
I will pray for better ways to hang my head and cry
Until I will die
