It's my time to dance  
My time to sing  
My time to shout and celebrate

It's my time to clap  
My time to sing  
My time to lift my hands in praise

It's my time to dance  
My time to shine  
My time to shout and celebrate

It's my time to clap  
My time to sing  
My time to lift my hands in praise

Chorus  
Oh o o o my deliverance is here  
Oh o o the chains have been broken from my life  
I am free oh o o  
Free in Jesus' name

repeat

It's my time

Vamp  
I'll lift my hands and celebrate
