#### Verse 1

Who is like You  
Everybody says  
Who can compare  
To You our God and King  
Everything within me  
Declares your majesty  
My soul sings  
My heart cries

#### Chorus

Hosanna hosanna  
Jesus You reign  
Hosanna hosanna  
Forever You reign  
No one else like you

#### Verse 2

You're the only God  
You created everything  
The heavens and the earth just by  
Your Spirit and Your Word

You are God alone  
There is none like unto thee  
The living creatures and the elders  
Bow before Your throne

#### Vamp

No one else like You  
No one else like You Jesus  
No one else like you Saviour  
No one else like You  
Nobody like you Jesus  
You are Holy yes You are  
I magnify Your Holy name  
You're worthy yes You are  
You're worthy yes You are
