I donâ€™t wanne fall like soldiers
Donâ€™t wanne be something in the news
I wanne play like careless children
Like I used to do with you

I wanne sleep beneath the willows
And focus on something good
Only wanne bridge the distance
That lingers between me and you

Pre-chorus:

Itâ€™s been said before but I say it again;
Silence can be a deadly weapon or a friend

Chorus:

See them bullets fly like words
Words that hold no meaning
Words that bears no truth
Words that break all rules
Like a gospel of a fool

Donâ€™t wanne be just a shadow
Wanne be strong, free and true
Canâ€™t stand to see us lose all meaning
Like everyone else seems to do

Pre-chorus:

Itâ€™s been said before but I say it again;
Same beginnings can have different ends

Chorus:

See them bullets fly like words
Words that hold no meaning
Words that bears no truth
Words that break all rules
Like a gospel of a fool

Bridge:

If we could see weâ€™re pieces of one puzzle
Where everyone belong
Weâ€™d find smoother ways to reach each other
Like rhymes in a song

Chorus:
See them bullets fly like words
Words that hold no meaning
Words that bears no truth
Words that break all rules
Like a gospel of a fool
