Death is after me,
Death is at my door
Everyone will see
Everyone will know
I hate all my friends
I wish they would die
Death is calling me,
Death keeps calling me
I am not afraid
I can see you staring
Death is at my door
Everyone will know
Everyone will go
Everyone will hear
People they have ears
Everyone will hear
I don't miss you yet
You still haven't left
I'll miss you when you're gone
Maybe after that
I want you to die
I wish you were dead
I want you to die
It's wrong to force a smile
I want you to die
