"I Dreamed Of An Old Love Affair"

Visit "[I Dreamed Of An Old Love Affair](#)" on MotoLyrics.com

Just like old times you were here last night
And gone were my sorrows and cares
Just like old times you were gone and I
Had a dream of an old love affair

I was alone in the darkness my dear
Many dreams ago you left me there
Sunlight told me you were gone and I
Had a dream of an old love affair

Life's been so empty since you've been gone
I love you with all of my heart
Heaven was mine when you smiled last night
And said we could make a new start
