"Turn To Jesus"

Jesus, my Savior
My Lord and my King
Insulted, rejected for all of our sins
Knowing my pain, He went through it all
So I turn to Jesus, He's there when I fall

Lord I need You
Lord I cry out to You
My only refuge
From this world
Lord I need You
Lord I cry out to You
My only shelter
My hope and Savior

Jesus, my Comfort
My strength and my shield
Sorrow and sadness: He knows how I feel
Knowing my struggles, He went through it all
So I turn to Jesus, who's been there before

And I turn to You
Always first to You
And I turn to You
Jesus, first to You
