"Beautiful Exchange"

Visit "[Beautiful Exchange](#)" on MotoLyrics.com

You were near though I was distant
Disillusioned, I was lost and insecure
Still mercy fought for my attention
You were waiting at the door then I let You in

Trading your life for my offenses
For my redemption, You carried all the blame
Breaking the curse of our condition
Perfection took our place

When only love could make a way
You gave Your life in a beautiful exchange

My burden erased, my life forgiven
There is nothing that could take this love away
My only desire and sole ambition
Is to love You just the same

When only love could make a way
You gave Your life in a beautiful exchange
When only love could break these chains
You gave Your life in a beautiful exchange

Holy are You, God, holy is Your name
With everything I've got
My heart will sing how I love You

Holy are You, God, holy is Your name
With everything I've got
My heart will sing how I love You

Holy are You, God, holy is Your name
With everything I've got
My heart will sing how I love You
