When I wake up I'm afraid, somebody else might take my place
When I wake up I'm afraid, somebody else might take my place

Make that money, fake that bunny, ache my tummy
On the fence, all the time
Paint young honey, face so sunny, ain't that funny
All my friends always lie to me
I know they're thinkingâ€¦

You're too mean, I don't like you, fuck you anyway
You make me wanna scream at the top of my lungs
It hurts but I won't fight you
You suck anyway
You make me wanna die, right when Iâ€¦

When I wake up I'm afraid, somebody else might take my place (x3)
When I wake up I'm afraid, somebody else might end up being me

Keep on dreaming, don't stop giving, fight those demons
Sell your soul, not your whole self
If they see you when you're sleeping, make them leave it
And I can't even see if it's all there anymore soâ€¦

You're too mean, I don't like you, fuck you anyway
You make me wanna scream at the top of my lungs
It hurts but I won't fight you
You suck anyway
You make me wanna die, right when Iâ€¦

When I wake up I'm afraid, somebody else might take my place (x3)
When I wake up I'm afraid, somebody else might end up being me

Being me and only me
Feeling scared to breathe
If you leave me then I'll be afraid of everything
That makes me anxious, gives me patience, calms me down

Lets me face this, let me sleep, and when I wake up
Let me breathe

When I wake up I'm afraid, somebody else might take my place (x3)
When I wake up I'm afraid, somebody else might end up being me
