(Da da da da da da da)  
(Da da da da da da da)

My rock candy passion is bittersweet  
And armed to the teeth  
Cuz she would rather fall in chocolate  
Than fall in love  
Especially with me

I stood under the waterfall  
With a kiwi-pineapple parasol  
As Cinderella dropped the crystal ball  
And made a concrete cavern  
A caterpillar concert hall

I wish that we could sail our sad days away  
Forever  
In deep blue seas of paper mâché  
(Let's dance in the moonlight)  
A barracuda chased our dog days away  
Forever  
Let's sink or swim 'til we fall in love  
(And dance in the moonlight)  
When we join the yacht club

I would rather go swimming  
With great white sharks  
Than wade in romance  
Cuz I can never find the courage  
To ask her to dinner  
Or even to dance  
(Dance in the moonlight)

Don't sweat under your overcoat  
Cuz my heart can harbor this paddle boat  
You'll hit the bottom of the highest note  
And the chatty tree frogs will never wanna  
Leave your throat

I wish that we could sail our sad days away  
Forever

In deep blue seas of paper mÅ¼chÅ¼©  
(Let's dance in the moonlight)  
A barracuda chased our dog days away  
Forever  
Let's sink or swim 'til we fall in love  
(And dance in the moonlight)  
When we join the yacht club

Da da da da da da da da  
Da da da da da da da da  
Da da da da da da da da  
Da da da da da da da da

Let go of the world you know  
And plug in the partyin' lights  
Soak your cares in the solar flares  
That light up these island nights  
Orange eclipse I can taste your lips  
In the citrus afternoon  
If you can fly don't stop at the sky  
Cuz there's footprints on the moon  
(With you)

I wish that we could sail our sad days away  
Forever  
In deep blue seas of paper mÅ¼chÅ¼©  
(Let's dance in the moonlight)  
A barracuda chased our dog days away  
Forever  
Let's sink or swim 'til we fall in love  
(And dance in the moonlight)  
When we join the yacht club  
(Let's dance in the moonlight)  
When we join the yacht club
