I guess he's back 'urr derry, STL derby
I'm like magic to Kareem, mayne you tell me I ain't
worthy
I ain't speakin 'bout a jersey, I'm speakin 'bout income
Did you hear that Elizabeth? Here come the big one
I put mo' money in the community than you got in yo'
budget
I wipe my ass with yo' advance to the toilet, then flush it
My last stance be a stance of a General Custard
I hot dog 'cause I can, I got the cheese and mustard
I got the stats of a hall of famer, in just two records
That's why I'm back up at the Super bowl, with Julius
Peppers
I got that can't stop, won't stop, in my veins
That's why they can't stop, won't stop, screamin' the
name
Nelly! Nelly! Go tell a friend to tell a friend
I'ma keep the same grin whether I, lose or win
Up or down ten, I'ma fight to the end, let's go
Ain't no way they can stop me now
Nelly, 'cause I'm on my way, I can feel my ring comin'
It's the blood of a champion
Pumpin' deep inside my veins, too much pride to be
runnin'
I'ma get what I can and more
Even if my blood, my sweat and my tears don't mean
nothin'
It's the heart of a champion in me
(It's the heart of a, it's the heart of a)
I'm the first pick, the first round, signin' bonus
profound
Playin' for his hometown, reppin' for the home ground
And gettin' bucks like Michael Redd, tell 'em again
I gets bucks like Michael Redd, heard what I said?
The MVP of the game, intensity still the same
I'm shootin' out from my reign, with Peyton Manning
type aim
Can't stop me from scorin' so they results are just
hackin'
So there's, three of us now, me, A.I. and Shaq'n
From the look to the eyes I say

Hover man with more heart than Hallmark on
Valentine's Day
I'm the one that you've been ravin' about, like Ray Lewis
I think it hard to go and change your route
'Cause you don't know if I'm blitzin' or if I'm sittin' and
readin'
Waitin' for you to go and trip, drop back and throw up a
pick, man
Ain't no way they can blow
Ain't no way they can blow
Ain't no way they can blow
Ain't no way they can blow
Ain't no way they can stop me now
Nelly, 'cause I'm on my way, I can feel my ring comin'
It's the blood of a champion
Pumpin' deep inside my veins, too much pride to be
runnin'
I'ma get what I can and more
Even if my blood, my sweat and my tears don't mean
nothin'
It's the heart of a champion in me
(It's the heart of a, it's the heart of a)
It's like a big time decision made on how I can twerk it
If hard work pays off, then easy work is worthless
My work habit ain't no habit man, I do it on purpose
I push myself to the limit so my talent'll surface
So now it's, curtains and drapes, on anybody who hates
Dislikin' what I'm recitin', bitin' what I've been writin'
I've been dog fightin', scratchin' and clawin' on every
height
Tryin' to make you remember me like you remember
the Titans
'Cause I'm a warrior, my daddy was a soldier
A Vietnam vet, lil' derry, I thought I told ya
I'm supposed ta whip up your town in Testarossas
Heatin' like Folgers mayne, I'm young black and rich
As good as it gets, and givin' your point guard fits
Think he'd seen pressure mayne, but he ain't seen shh
Ain't no way they can blow
Ain't no way they can blow
Ain't no way they can blow
Ain't no way they can blow
Ain't no way they can stop me now
Nelly, 'cause I'm on my way, I can feel my ring comin'
It's the blood of a champion
Pumpin' deep inside my veins, too much pride to be
runnin'
I'ma get what I can and more
Even if my blood, my sweat and my tears don't mean
nothin'
It's the heart of a champion in me

Ain't no way they can stop me now
Nelly, 'cause I'm on my way, I can feel my ring comin'
It's the blood of a champion
Pumpin' deep inside my veins, too much pride to be
runnin'
I'ma get what I can and more
Even if my blood, my sweat and my tears don't mean
nothin'
It's the heart of a champion in me
