Years go by and I miss you  
I can't describe what you've been through  
But you're gone  
We do what we believe in  
Set a goal and stop dreaming  
I'm not saying you're wrong

But every time you're going  
And I'm asking myself why  
Hoping, oh just hoping you won't go  
I know you're proud of me  
You're holding your head high  
It's OK, it's OK, it's OK, it's OK

'Cause I know I'll get you back  
No, I know your mind is criminal  
It don't matter, no  
You're going in again  
I know I'll get you back  
No, I know your mind is criminal  
I got women for you man  
When you're coming out and give

You know I could have been witchu  
Been witchu, done what you been through  
I had a chance to choose  
When enough's enough will you know it  
When you reach your goal will you hold it  
I'm afraid you're gonna lose

And every time you're going  
And I'm asking myself why  
Hoping, oh just hoping you won't go  
I know you're proud of me  
You're holding your head high  
It's OK, it's OK, it's OK, it's OK

'Cause I know I'll get you back  
No, I know your mind is criminal  
It don't matter no  
I bet you're going in again

I know I'll get you back  
No, I know your mind is criminal  
I got women for you man  
When you're coming out and give

I know I'll get you back  
A criminal, a criminal
