Boy, I tried to tell you  
But you just wouldn't hear  
We've got the house full of ladies  
And you're acting a queer  
We've got your female friends  
But you can't get anywhere

I'll tell you one last time, boy  
Life isn't fair, na-na-na

If you feel ashamed  
Step up your game  
She's calling my name  
'Cause she's getting bored

She thinks you're a fool  
For not making moves  
It could have been you  
Oh, so you're the nice guy?

I'm gon' get my la-le-la  
He's gon' get some la-le-la  
All of my boys gon' get their la-le-la  
You won't get no na-ne-na  
[x2]

Nice guy!

I told you many times before,  
But boy, you did it again  
You met a hot ass girl,  
And turned her into your friend  
You bought her drinks all night long  
You we're ready to spent  
I brought her home that night  
And I should thank you again  
'Cause you're the nice guy

If you feel ashamed  
Step up your game  
She's calling my name

'Cause she's getting bored

She thinks you're a fool  
For not making moves  
It could have been you  
Oh, so you're the nice guy?

I'm gon' get my la-le-la  
He's gon' get some la-le-la  
All of my boys gon' get their la-le-la  
You won't get no na-ne-na  
[x2]

Nice guy!

Rule number one  
Don't ever do it her way  
'Cause if you make her do it your way  
You might do it today

And rule number two  
Don't ever buy in the bar  
'Cause if you buy in the bar  
The next thing she wants' a car

When you're the nice guy  
When you're the nice guy, yeah  
[x2]

So you're the nice guy

I'm gon' get my la-le-la  
He's gon' get some la-le-la  
All of my boys gon' get their la-le-la  
You won't get no na-ne-na  
[x2]

So you're the nice guy

I'm gon' get my la-le-la  
He's gon' get some la-le-la  
All of my boys gon' get their la-le-la  
You won't get no na-ne-na  
[x2]

(Yeah, you f\*ck it up for everybody else, nice guy  
You making life a living hell for the rest of us,  
You know, being all nice to them ladies and sh\*t,  
Buying them stuff  
You know what? You should start being a little less nice,  
Learn how to be a real man

When you go out you should take to the ladies  
Be a man, don't be all nice guy  
Don't tell me you didn't  
'Cause I know you did!)

Nice guy!
