I never thought I'd feel this way for another lover of  
the first degree  
Gives me shakes the way she role my sweetest ache  
she lose control

You say that you feel like we are free  
You say that you feel that we are friends  
You say that you feel like together there are no better  
lovers  
Yes there are no better lovers

Baby never let me go  
Tell me that you'll stay  
Never go away  
Tell me I'm the one  
I wanna hear you say  
You'll never let me go  
Tell me you're in love  
Tell me that you will know

She's so soft like cool main feather laying heavy on  
the vine  
When I'm with her I feel I'm living and dying at  
the same time

You say that you feel like were unchain  
You say that you feel that we are friends  
You say that you feel like together there are no better  
lovers  
Yes there are no better lovers

Baby never let me go  
Tell me that you'll stay  
Never go away  
Tell me I'm the one  
I wanna hear you say  
You'll never let me go  
Tell me you're in love  
Tell me

Baby never let me go

Tell me that youâ€™ll stay  
Never go away  
Tell me Iâ€™m the one  
I wanna hear you say  
Youâ€™ll never let me go  
Tell me youâ€™re in love  
Tell me that you will know
