Want you back in my life

I want you back in my life
Want you back by my side
'Cause that's where you belong

Oh and I, I won't give you up
I will never stop
My love is much too strong

I want you back in my life
Want you back by my side
'Cause that's where you belong

Oh and I, I won't give you up
I will never stop
My love is much too strong

Look at me standing here
Crying out my final tears
Look at me in the rain
Calling out your name again

Look at me standing here
Crying out my final tears
Look at me in the rain
Calling out your name again

Remember when you told me
You didn't want anybody else but me
And I'm that same girl
That's all you need to see

I want you back in my life
Want you back by my side
'Cause that's where you belong

Oh and I, I won't give you up
I will never stop
My love is much too strong

Look at me standing here

Crying out my final tears
Look at me in the rain
Calling out your name again
