Move a little closer, baby
Dance up close and personal
Move your hands all over my body
Take it step by step

Higher and higher
Lifting me up
Higher and higher
Lifting me up

Higher and higher
Lifting me up
Higher and higher
Lifting me up

Move a little closer, baby
Dance up close and personal
Move your hands all over my body
Take it step by step

Higher and higher
Lifting me up
Higher and higher
Lifting me up
