I can see it in your eyes

I can see, see it in your eyes
I can feel, yes, it feels so nice
I can tell, my love is strong
Touch me now, you are the one

I can see, see it in your eyes
I can feel, yes, it feels so nice
I can tell, I love you over and over
And over and over again

I can see, see it in your eyes
I can feel, yes, it feels so nice
I can tell, my love is strong
Touch me now, you are the one

I can see, see it in your eyes
I can feel, yes, it feels so nice
I can tell, I love you over and over
And over and over and over

Whatever makes you happy
Whatever makes you cry
Whatever takes to hold you
My dream is still alive

Every time I see you laughing
Every time you're passing by
Every time I hear you talking
I feel there's something in the sky

I can see, see it in your eyes
I can feel, yes, it feels so nice
I can tell, my love is strong
Touch me now, you are the one

I can see, see it in your eyes
I can feel, yes, it feels so nice
I can tell, I love you over and over
And over and over and over

Whatever makes you happy
Whatever makes you cry
Whatever takes to hold you
My dream is still alive

Every time I see you laughing
Every time you're passing by
Every time I hear you talking
I feel there's something in the sky

I can see it in your eyes
