Every trick in the book now baby,
I'll use it on you.
I've got my devices darling,
My machinery too.
Lying on a parquet carpet,
On the 4th of July.
Finding things in physics books,
Things to try.
Now I've made my mind up,
You're going to be mine.
I tell you right now.
Trying to find the yellow cab
Where you lost your purse.
Trying to find some cabbage and celery and PAPRIKA.
Listening to Julio Iglesias,
In a hot air balloon.
I've got my devices,
My PAPRIKA too.
Now I've made my mind up.
Fry your little mind.
Take it.
