Na, na, na, na

I don't dare to let it show
Therefore you will never know
What I really feel inside
And how I lay awake at night

Will I ever fall in love
And if I do, will it be with you?
Will I ever fall in love
And will you be the one for me?

Will I ever fall in love
And if I do, will it be with you?
Will I ever fall in love
And will you be the one for me?

Na, na, na, na, way, ohh
Na, na, na, na, na, na, na, way, ohh
Na, na, na, na, way, ohh
Na, na, na, na, na, na, na, way, ohh

I guess it's all in my head
And I will be alone instead
Dreaming of a night with you
And all the things that we would do

Will I ever fall in love
And if I do, will it be with you?
Will I ever fall in love
And will you be the one for me?

Will I ever fall in love
And if I do, will it be with you?
Will I ever fall in love
And will you be the one for me?

Will I ever fall in love
And if I do, will it be with you?
Will I ever fall in love
And will you be the one for me?

Na, na, na, na, way, ohh
Na, na, na, na, na, na, na, way, ohh
Na, na, na, na, way, ohh
Na, na, na, na, na, na, na, way, ohh
