Marvin's Room Remix by K' LA
Turned over just to see
ya face found somebody laying where you lay.
Can't recall what I did yestersday, but I woke up in a
mess today.
I know I don't have to explain.
.. but I'm wanna tell you anyway that he ain't you
... no he ain't you... and I promised you I'll wait for you...

Why did I fuck this nigga that's inside my bed I'll
give anything to have you here instead.
.. I said fuck this nigga that's inside my bed if you
with somebody fuck that bitch instead.
.. (she ain't me... no she ain't me... you know it, you
know it)

Look, I know ya hurt I know the feeling so when I
Say I'm sorry you know I mean it, you only heard about
It I really seen it and I really did my best to never let
him come between
Us you'll be heart broke if you seen us so just be
glad you didn't and you think I wanted to give my love
to a different man? hams and hand said you'll be ther
Til the end, but the day you walked away from me you
held a different hand. and I still say my good for
your exports but you got foreign relations with all
Your ex whores so yeaah I did it, I ain't got nothing to
flex for
But why you trippin when you know you slipping sex
more... yeah I know two wrongs don't make a right,
I mean I make mistakes but hay they make my
Night, and you can't make me cheat and you can't
make me lie
But if I say I want it... you better make the time

Before I fuck this nigga that's inside my bed I'll
give anything to have you here instead.
.. I said fuck this nigga that's inside my bed if you
with somebody fuck that bitch instead.
.. (cause she ain't me... no she ain't me.
.. and you promised me you'll wait for me and you know
it, and you know it, and you know it,

and you know it, and you know it,
and you know it, and you know it, and you know it)
That's why I I fuck this nigga that's inside my bed
I'll give anything to have you here instead.
.. I said fuck this nigga that's inside my bed if you
with somebody fuck that bitch instead.
.. (she ain't me... yeah, you can fuck that biitch instead

[Drake:]

You not gonna come? I guess I'm bout to jus kick it here
