From the front to the back  
From the left to the right side  
I'm world wide  
From the east to the west  
I get it girl thats right lets ride  
I beat the p\*ssy up up up up up up [4x]  
I beat the p\*ssy

Yeah I eat but much rather beat it  
Dick your girl down cuz I know she really need it  
Yeah I get her wet wetter then she ever been  
Now she tellin me that she gone tell all her friends  
I'm like Ok bring all along, as long  
As I can sting my tongue in between her thong  
Yeah I'm nasty I know you like it  
Lick the bottom lip baby girl you're gonna bite it  
Yeah I go deep I love her from her back  
Arch that back make that ass clap  
Make the p\*ssy squirt yea I got stroke  
Tell me where it hurts spread them legs  
Little mami watch you work  
Tell me what it is, show me where it could be  
P\*ssy on my lips juice box taste good to me  
Put it on my tongue, fill me on up  
Put it in your gut, tear that p\*ssy up

I beat the p\*ssy up up up up up up up [4x]  
I beat the p\*ssy

She ain't got to tell me she want it  
She know I know that she with it  
She moan and groan when I get it  
She tell me lick it I get it  
Sexy thang enough to make a nigga go crazy man  
Do crazy things I beat the p\*ssy up  
We get to lovin and touchin  
We get to lickin and stickin  
And now you know what we doin  
When your around and we listen  
We go through perfect positions  
We get it poppin now listen  
To much pleasure to measure

She got the power to beat  
The nigga wanna get to me in a major way  
Jack pot jump shot that nigga fade away  
I mean way away I be on that elite shit  
That hpk heartbreak kid freak shit

I beat the p\*ssy up up up up up up up [4x]  
I beat the p\*ssy

I'm me you know I'ma big dawg  
I dive in here head first like a free fall  
Big wood thicker than a tree log  
Had her bouncin on the dick like a see saw  
Baby I'm raw like I don't use protection  
And we could get it right here in the whip session  
I wanna f\*ck you right here like you say  
Miss ice with the cream no desert please  
Scream my name baby I'm skipper  
Just one day shawty reachin for my zipper  
I'ma dick her you can pick her up I deliver  
Panties in the way if a new one I'ma rip em rip  
I go hard in the paint boyfriend muggin all hard cause  
he cant  
91 premium all in the tank deposit that dick call it  
sperm bank

I beat the p\*ssy up up up up up up up [4x]  
I beat the p\*ssy
