Chorus:

Ohh you just don't know,
How much you messed up my flow
How much you messed up my flow
So high but now I'm low.
Ohhhh thinking about you,
Wasting all my time on you,
You used to feel so brand new,
You mean nothing to me.
Ohh you just don't know x5
Get out of my head
Ohh you just don't know x5
You used to feel so brand new
Get out of my head.
You got to get out of my head.

Chorus:

Ohh you just don't know,
How much you messed up my flow
How much you messed up my flow
So high but now I'm low.
Ohhhh thinking about you,
Wasting all my time on you,
You used to feel so brand new,
You mean nothing to me.
You ruin my flow ey ey ey ey ey
You ruin my flow ey ey ey ey ey
You ruin my flow, get out of my head

Ey ey ey ey
Get out of my head,
You ruin my flow,
Get out of my head, you got to get, you got to get, you
got to get, out of my head.
Get out of my head,
Get out of my head,
Get out of my head, you got to get, you got to get, you
got to get, out of my head.

Chorus:

Ohh you just don't know,
How much you messed up my flow
How much you messed up my flow
So high but now I'm low.
Ohhhh thinking about you,
Wasting all my time on you,
You used to feel so brand new,
You mean nothing to me.
Ohhh, you just don't know, you just don't know, get out
of my head.
Get out of my head.
Ohhh, you just don't know, you just don't know, get out
of my head.
You used to feel so brand new, you got to get out of my
head.
