

Iffy The Badman "Do You"

Visit "[Do You](#)" on MotoLyrics.com

When your home and all alone
If i'm ever on your mind
It's a sign that we should be together

Oh I try to make it work,
But your listening to her
And that's why we couldn't make it better

I'm falling behind myself, no I can't move on
We don't even speak anymore
I can't close my eyes, I'm up all night long, and baby
I miss you more than before

It's been a long time since I've seen you
Oh I hope you didn't forget about me
You know your friends say that your lonely
But what if I told you I was to?

Oh-Oh do you,
Do do do,
Do you,
Do you still think about me?

Oh-Oh do you,
Do do do,
Do you,
Oh do you still think about me?

Oh Baby come on, you know I didn't mean that

You said you want a break,
Baby I don't wanna wait
What If I was to show up at you door?
When I think about us and what our love once was,
It's just something I can't ignore.

I'm falling behind myself, no I can't move on
We don't even speak anymore
I can't close my eyes, I'm up all night long And baby
I miss you more than before

It's been a long time since I've seen you

Oh I hope you didn't forget about me
You know your friends say that your lonely
But what if I told you I was to?

Oh-Oh do you,
Do do do,
Do you,
Do you still think about me?

Oh-Oh do you,
Do do do,
Do you,
Oh do you still think about me?

Burning through my veins like that acid rain
I've been following your tracks
Gonna catch that train
I don't wanna play this game, but I can't complain
'Cause Your loving is enough to drive a man insane

It's been a long time since I've seen you
Oh I hope you didn't forget about me
You know your friends say that your lonely
But what if I told you I was to?

Oh-Oh do you,
Do do do,
Do you,
Do you still think about me?

Oh-Oh do you,
Do do do,
Do you,
Oh do you still think about me?

Oh-Oh do you,
Do do do,
Do you,
Do you still think about me?

Oh-Oh do you,
Do do do,
Do you,
Oh do you still think about me?

Oh baby, I know you still think about me, I know you do
I know you dream about me at night, I think I do to
Ha ha, your amazing and your breath,
Your breath doesn't stink, Your breath smells good at
night
I like that.

I like that alot. ha ha
