Every clock is ticking faster
Taking trips around the sun
Another year, another chapter
5 and 4 and 3 and 2 and 1

Drop your calls, lose your keys
Before the drinks are gone
Get yourself out your seat
Oh oh
Quit your bitchin move your feet
Until the break of dawn
Cause nobody gives a damn about the day that you
were born

This songs for everyone who it aint your birthday
You gotta party like it's not, party like it's not
This songs for anyone who is having the worst day
You gotta party like it's not, party like it's not

Oh o oh
Party like it's not, party like it's not
Like it's not your birthday
Party like it's not, party like it's not
Oh o oh
Party like it's not, party like it's not
Like it's not your birthday
Party like it's not, party like it's not
Oh o oh

Take a sip in of the high life
Chase it down until you fall
365 nights
Why just one if we can have them all

Drop your calls, lose your keys
Before the drinks are gone
Get yourself out your seat
Oh oh
Clap your hands, move your feet
Until the break of dawn
Cause nobody gives a damn day that you were born
This songs for everyone who it aint your birthday

You gotta party like it's not, party like it's not
This songs for anyone who is having the worst day
You gotta party like it's not, party like it's not
Oh o oh
Party like it's not, Party like it's not,
Like it's not your birthday
Party like it's not, party like it's not
Oh o oh
Party like it's not, party like it's not,
Like it's not your birthday
Party like it's not. party like it's not
Oh o oh

Ok lets lose control
I wanna see everybody on the floor
Well go and send your invitations
Do it now cuz time is wastin
Life is tough so fill them cups
Why not to live? Ima live it up
Drinks go up, Drink'em down
Turn it up, Wake up the town
Ok, Check it out, heres the plan
We gonna dance till we cannot stand
Move your feet to every beat
O Crap, bring it back, put it on repeat
We gonna party till the break of dawn
I don't even know how I'm gettin home
But it's alright it's ok
It's not even my birthday!

Party like it's not, party like it's not
Party like it's not, party like it's not
Like it's not your birthday
Party like it's not, party like it's not
Oh o oh
Party like it's not, party like it's not

This songs for everyone who it aint your birthday
You gotta party like it's not, party like it's not
This songs for anyone who is having the worst day
You gotta party like it's not, party like it's not
Oh o oh
