The time has come to an end
Yeah this is what nature planned.

Being tracked by a starving beast
Looking for its daily feast
A predator on the verge of death
Close to its last breath

Getting close to its last breath!

RULES OF NATURE.

And they run when the sun comes up,
With their lives on the line
ALIVE! For a while,
NO CHOICE! Gotta follow the laws of life!

ALIVE! With their lives on the line.

NO CHOICE! Out here only the strong survive!

What's done is done, we're about to see another day.
The game of life, the hunter and the agile prey,
No guarantee which of them will succeed for the week!
