Swimming, swimming through the crowds  
diving into sea of sounds  
surfing, surfing on white clouds  
I`m drowning in the sea of sounds ...

There are noises everywhere  
can you hear the silence call?  
who promised to take care?  
it`s unfair!

In the sky and down below  
in the streets and on the hills  
we take part in this big show  
now go!

always pick up your phone  
feeling warmed by your TV  
and you will never feel alone  
don`t moan!

feel suddenly left behind  
if you don`t do what they say  
noise pollution never mind  
it`s unkind!

words spoken in large amounts  
I`m running from the sea of sounds  
enough boredom to go round  
I`m waiting...

Swimming, swimming through the crowds  
diving into sea of sounds  
surfing, surfing on white clouds  
I`m drowning in the sea of sounds...

Always pick up your phone!  
Always pick up your phone!  
Always pick up your phone!

I`m drowning in the sea  
in the sea of sound...

...can you hear the silence call???
