Verse 1:

You may say you don't care!
You can live without me there
But, when I look into your eyes, BABY
I can see how sad you are inside!

Chorus:

Let me take you in my arms, ease your pains & harms
Hold you tonight. Oh! Baby, Baby!
Let love shine into our heart,
nothing will tear us apart.
Hold me tonight.
Come on Girl gonna be alright,
let's make love; we'll never fight.
Tell me what your feeling deep inside.
Let me love you tonight.

Verse 2:

When you said this is the end,
True love is just like suicide.
But, Before we kiss and say Good-Bye, Baby..
Let's let the tears from your eyes subside.

Chorus:

Let me take you in my arms, ease your pains & harms
Hold you tonight. Oh! Baby, Baby!
Let love shine into our heart,
nothing will tear us apart.
Hold me tonight.
Come on Girl gonna be alright,
let's make love; we'll never fight.
Tell me what your feeling deep inside.
Let me love you tonight.

Bridge: Let me hold you, touch you and build the world
around you.

Let me cherish you, love you and share my life with you
Hum. Yeah!

Chorus:

Baby, Baby, Baby!
Let me take you in my arms, ease your pains & harms
Hold you tonight. Oh! Baby, Baby!
Let love shine into our heart,
nothing will tear us apart.
Hold me tonight.
Come on Girl gonna be alright,

let's make love; we never fight.
Tell me what your feeling deep inside.
Come on Girl gonna be alright,
let's make love; till the morning light
Tell me what your feeling deep inside.
Let me love you tonight.
Ending: You may say you don't care!
You can live without me there!
