Paint on smile  
Your pale white face  
Does your light still shine?  
When your body's weak

Left out the window  
Life is cold  
Left out the window  
Words untold  
Left out the window  
When did truth become so wrong?

Open up for words  
Lines unfold  
Life is a precious gift untold

Open up for words  
Lines unfold  
Life is a precious gift untold

Night comes clean  
All cats are grey  
Come into my world  
You know right from wrong

Left out the window  
Life is cold  
Left out the window  
Words untold  
Left out the window  
When did truth become so wrong?

You show your face  
Now that it's over  
Impossible  
Rejectable  
Is the crown you wear

Open up for words  
Lines unfold

Open up for words  
Lines unfold

Open up for words  
Lines unfold  
Life is a precious gift untold

Open up for words  
Lines unfold  
Life is a precious gift untold
