A strange reality within
Levitating off the ground
Hovering losing gravity
Casting misery away
Entrance higher
Orion's aura is the gate
A heavenly passage ☐ starway

Entrance To Infinity
The heavens passage through the Stargate
Orion's Eye
Forever is eternity
Silence Divine
Orion's Eye

Alpha waves through centuries
Calculate complexity
Recieved by cosmic majesty
Apparition of the gods
Tellus'base Necropolis
Cosmic storms of fire

Through the center of time
Beyond light, beyond mind
Heavenly grace, infernal pace
As the secrets appear
Like visions so clear
Illuminate skies
Embracing the gate
The riddle of time
Genetically coded minds
Programmed and limited
Wisdom access denied

Entrance To Infinity
The heavens passage through the Stargate
Orion's Eye
Forever is eternity
Silence Divine
Orion's Eye
Entrance To Infinity
Silence Divine

Orions Eye
