

1000 Reasons "Throw It Away"

Visit "[Throw It Away](#)" on MotoLyrics.com

Could it be another nightmare?
No, oh no
Everything is a foursquare
No, oh no

You've fallen in the trap and there's nothing left to say
You don't know how to handle it and you're the one to
blame
You're at the front of the line and you don't know what
to say
Don't know what to say so you throw it away

Could it be another nightmare?
No, oh no
Everything is a foursquare
No, oh no

Could it be down right outrageous?
Why, oh why
Everything is so contagious
Why, oh why
