Believe me when I say , things will never be the same
The love that I gave away , was just a little big mistake
I know that you would not believe , the things they say ,
cause they're not real
Just take this one chance on me and see how good this
love will be
Don't let the doubts blow away all of the love that I
once gave
I know that you would not believe , the things they say ,
cause they're not real
Oh yeah

Don't you know that ?
I need you lately ! I admit that
Don't you know that ?
I feel stronger when i`m with ya
Don't you know that ?
I need you lately ! I admit that
Don't you know that ?
I feel stronger when i`m with ya

Believe me when I say that I will never ever play , with
your heart
And never fear , cause it is so so so clear
Don't let the past scare you away of what we could
have today
I know that you would not believe , the things they say ,
cause they're not real
Just take this one chance on me and see how good this
love will be

Don't you know that ?
I need you lately ! I admit that
Don't you know that ?
I feel stronger when i`m with ya
Don't you know that ?
I need you lately ! I admit that
Don't you know that ?
I feel stronger when i`m with ya

Scared of coming into my lonely world
I find strength in your love, in your heart ,in every word

Believe in me ,donâ€™t you fear, just take this one
chance me
Baby wont you see that â€¦yeah

Donâ€™t you know that ?
I need you lately ! I admit that
Donâ€™t you know that ?
I feel stronger when i`m with ya
Donâ€™t you know that ?
I need you lately ! I admit that
Donâ€™t you know that ?
I feel stronger when i`m with ya
