ole ole, ole ole baby
ole ole, ole ole

everyone in the house
are you ready tonite
got a game that will make u feel right
all it takes is a little one on one
gather 'round and we'll have some real fun

Just put your hands upon the hips of someone
let them know the game has nearly begun
oh oh
that puts the rhythm from the beat of the drum
get ready now to sing along

Repeat #1

let me tell you the concept
for tonite
party all night up into daylight
now get up and get in line
we're in high energy
and the game is so easy you'll see

just put your hands upon the hips of someone
let them know the game has nearly begun
oh oh
that puts the rhythm from the beat of the drum
get ready now to sing along yeah

Repeat #1 (2x)

don't you stop yourself from losing control
the rhythm is shaking me down to my bones
don't hold back anything, let yourself go
around and around here we go oh

Repeat #1

hands in the air(jump up a little bit)

hands on the hips(wind up a little bit)
hands in the air(jump up a little bit)
hands on the hips(wind up a little bit)
hands in the air(jump up a little bit)
hands on the hips(wind up a little bit)
hands in the air(jump up a little bit)
wind up a little bit

you, are so glad you're here
tonite, tonite(for you)
ready to dance - ready to daaaance
