It's about time you move right now, Just dance and
move your body
It's about time you move right now, Just dance and
move your body
Everybody on the town, get on up, everybody on the
town, get it right
Everybody on the town, get in to it, everbody on the
town, get on up
Here we go, here we go, here we go (This is my house)
Here we go, here we go, here we go (Let the music take
control)

It's about time to take a stand for the fool's that I know
in full demand
We own a freestyle group, your steppin', let the record
move ya, again and again
From side to side, well that's the way I like, The feelin'
that I get with pure delight
You're gettin' hyper and hyper, that's the game I play,
fresh as a bull without a word to say
So your fly girls just be my guest, so listen while I'm
talkin' on this smooth track
No static, have to wait 'til we're rollin', get in the back,
Let's see, you can't roll me
Control me, hah, you don't know me, Time to get up,
get on with something else
'Cause your way, ain't no way, you still got nothin', So
just dance

B-b-b-b-b-boy I'll house ya, Get up and move your body
Are we doin' it? Yes, without a doubt, get up and move
your body
B-b-b-b-b-boy I'll house ya, Get up and move your
body
Are we doin' it? Yes, without a doubt, get up and move
your body

Everybody on the town, get on up, everybody on the
town, get it right
Everybody on the town, get in to it, everybody on the
town, get on up
Wooh-ooh, yeah-eah-eah, wooh-ooh, yeah-eah-eah,

wooh-oooh, yeah-eah-eah, wooh-oooh, yeah-eah-eah
Its about time you move, Its-Its-Its-It's about, Its about,
Its-its-It's about time you move right now
It's about time you move right now

Everybody on the town, get on up
