I'm movin' on up

I'm doing what's good for me

C'mon...

I'm movin' on up

Just watch me walking out that door

I'm taking my life in my hands

I'm gonna do what's good for me

Do what's good for me

I'm taking my life in my hands

I'm gonna do what's good for me

Do what's good for me

Do what's good for me

Do what's good for me

Do what's good for me

Do what's good for me

Listen up, push it down

This is the booming system sound

Floating around into your town

Open your eyes

See what I've found

Yes I keep it real

Do what I feel

Stop telling me, I know the deal

Female or male, inhale, exhale

No criminal no me never see jail

No more if's

I say no more maybe's

We'll be alright, I tell you baby

Let the leader lead, let the player play

Can you tell the world what we wanna say?

I'm gonna give it on up, give it in,

Give it out, give it all aw...

I gotta let it go, let it out,

Let it loose, let it roll, oh yeah...

You know I'm movin' on up, movin' in,

Movin' out, movin' on aw...  
That's what I'm gonna do  
That's what I got to do, yeah...  
I'm taking my life in my hands  
I'm gonna do what's good for me  
Do what's good for me  
I'm taking my life in my hands  
I'm gonna do what's good for me  
Do what's good for me  
Wanna give it on, give it in  
Give it out, give it all  
Wanna give it on, give it in  
Give it out, give it all  
Wanna give it on, give it in  
Give it out, give it all  
I'm gonna give it on up, give it in,  
Give it out, give it all aw...  
I gotta let it go, let it out,  
Let it loose, let it roll, oh yeah...  
You know I'm movin' on up, movin' in,  
Movin' out, movin' on aw...  
That's what I'm gonna do  
That's what I got to do  
Yes I made it  
I can't be faded  
My X-ray eyes are activated  
I buzz a rhyme, yo  
And I clime, clime, clime  
I'm going for gold, yes  
I'm going for mine  
I'm taking my life in own hands, you see  
And doing exactly what's right for me  
Nowadays thel all wanna see me  
But listen close, they never can beat me  
I'm taking my life in my hands  
I'm gonna do what's good for me  
Do what's good for me  
I'm taking my life in my hands  
I'm gonna do what's good for me  
Do what's good for me  
If it's good enough for me  
It must be good enough for you  
If it's good enough for you  
It must be good enough for me  
If it's good enough for me  
It must be good enough for you  
If it's good enough for you  
It must be good enough for me  
Do what's good for me  
Do what's good for me...  
...and here is the second one...
