Last Night We Had This Conversation
You're Rushing My Heart
There Ain't No Mistaken
I Need Someone Who's Got Real Emotion
Stop Pushing So Hard
I Need Your Devotion
Cool Down Baby, Love Will Take A Minute
Drives Me Crazy, Everytime We're In It
This Time Baby, Look And You Will See
The Way That It Was Ment To Be
Chorus:
So If You Wanna Get Up
And If You Wanna Get Down
Now Listen, Baby, That's The Way The World Goes
Round
So If You Wanna Get Up
And If You Wanna Get Down
I Tell You, Baby, That's What Love Is All About
Now Listen Up, To Stay Together
Just Mess With My Mind
So It'll Last Forever
I Need A Lover With A True Connection
Straight To The Heart
Yeah That's My Intention
Cool Down Baby, Love Will Take A Minute
Drives Me Crazy, Everytime We're In It
This Time Baby, Look And You Will See
The Way That It Was Ment To Be
Chorus:
So If You Wanna Get Up
And If You Wanna Get Down
Now Listen, Baby, That's The Way The World Goes
Round
So If You Wanna Get Up
And If You Wanna Get Down
I Tell You, Baby, That's What Love Is All About
Cool Down, Baby, Cool Down
Cool Down, Baby, Cool Down
Down Baby
Hi Hi Hi Hi Hi Hi Hi
Chorus:

So If You Wanna Get Up
And If You Wanna Get Down
Now Listen, Baby, That's The Way The World Goes
Round
So If You Wanna Get Up
And If You Wanna Get Down
I Tell You, Baby, That's What Love Is All About
Chorus:
So If You Wanna Get Up
And If You Wanna Get Down
Now Listen, Baby, That's The Way The World Goes
Round
So If You Wanna Get Up
And If You Wanna Get Down
I Tell You, Baby, That's What Love Is All About
