Lyrics by Phil Wilde, Peter Bauwens, Jean-Paul De Coster & Steven Tracey

Everybody, are you ready to hit the floor

People all over - get ready to hit the floor, yeah

I gotta brand new thing - and I'm takin' you out for more

Now feel the vibration - My body is achin' to move

So if you think it's cool - C'mon and do it too

Let's have a real good time

Come on everybody let's party tonight

Come on everybody let's party tonight

Let's celebrate - We just can't wait

Things can only get better

Ooh -ho ?ho (3x)

Now we got the motion

Get into the groove with me, yeah

You know it feels so good

And baby that's all that we need

The whole world is shakin'

The rhythm is makin' it move, oh yeah

So if you think it's cool

I'll take you right on through

Let's have a real good time

Come on everybody let's party tonight

Come on everybody let's party tonight

Let's celebrate - We just can't wait

Things can only get better

Party tonight - Come everybody let's party tonight

Let's celebrate - We just can't wait

Things can only get better

So if you think it's cool - Have a real good time !

Hey ! Whoo!
