Why do you think it's cool to kill, to run around with
TNT?
Taking a toll on human lives, this ain't the way to make
God proud
You're just a fool, it serves you well - I hate the
Bloody game you play
All the voices from on high misguiding you - just get a
Life!
So please stand up and raise your voice, let us unite we
Got no choice
We have to built a better place and recreate the human
Race
So please stand up and raise your voice, let us unite we
Got no choice
Fighting against all threats in life, though it may take
Us stacks of time
Look in the mirror and give a thought to what you think
You're living for
Just put yourself in the place of all the victims, one's
For sure:
Religion turns from bad to worse and cast reflections
on
Yourselves
You're on a dead end street and so my last request:
Please get a life!
