Visit "[Ready To Die](#)" on MotoLyrics.com

My life might seem empty to you
The world around me is put on hold
Sinking deeper into my dreams
Towards the DARKNESS so cold

Strapped in ready to die
Cut loose ready to ride
I'm as deep as I can possibly go
At the bottom is where I'm on top

Strapped in ready to die

Cut loose ready to ride
I've been on this tripp for far to long
I can't remember when I took off

The void I left has been filled sometime ago
Secret doors comes into my light
There is no end to my space

Strapped in ready to die
Cut loose ready to ride
