### "Changing Partners"

We were waltzing together,  
To a dreamy melody  
When they called out, "change partners"  
And you waltzed away from me  
Now my arms feel so empty,  
As I gaze around the floor  
And I'll keep on changing partners  
Till I hold you once more  
Though we danced for one moment  
And too soon, we had to part  
In that wonderful moment,  
Something happened to my heart  
So I'll keep changing partners  
Till your in my arms, and then  
Oh my darling, I will never  
Change partners again  
Though we danced for one moment,  
And too soon, we had to part  
In that wonderful moment,  
Something happened to my heart  
So I'll keep changing partners

Till your in my arms, and then

Oh my darling, I will never

Change partners again
