Is it so hard to satisfy your senses
You found out, to love me you have to climb some
fences
Scratching and crawling along the floor to touch you
And just when it feels right you say you found someone
To hold you
Does she like I do
Baby, tell me does she love

Love you like the way I love you
Does she stimulate you, attract and captivate you
Tell me does she miss you existing just to kiss you
Like the way I do

Tell me does she love you like the way I love you
Does she stimulate you, attract and captivate you
Tell me does she miss you, existing just to kiss you
Like the way I do

Tell me does she love you

Is it so hard to satisfy your senses
You found out, to love me you have to climb some
fences
Scratching and crawling along the floor to touch you
And just when it feels right, you say you found
someone
To hold you
Does she like I do

Baby, tell me does she love you like the way I love you
Does she stimulate you, attract and captivate you
Tell me does she miss you, existing just to kiss you
Like the way I do

Tell me does she love you like the way I love you
Does she stimulate you, attract and captivate you
Tell me does she miss you, existing just to kiss you
Like the way I do

Like the way I do, ohh, yeah
Ohh, ohh, yeah
